Ray-Ban RX6489 · 1,090 MAD
Clubmaster · 950 MAD

Persol PO3007V · 1,690 MAD
Oakley OX8046 · 890 MAD

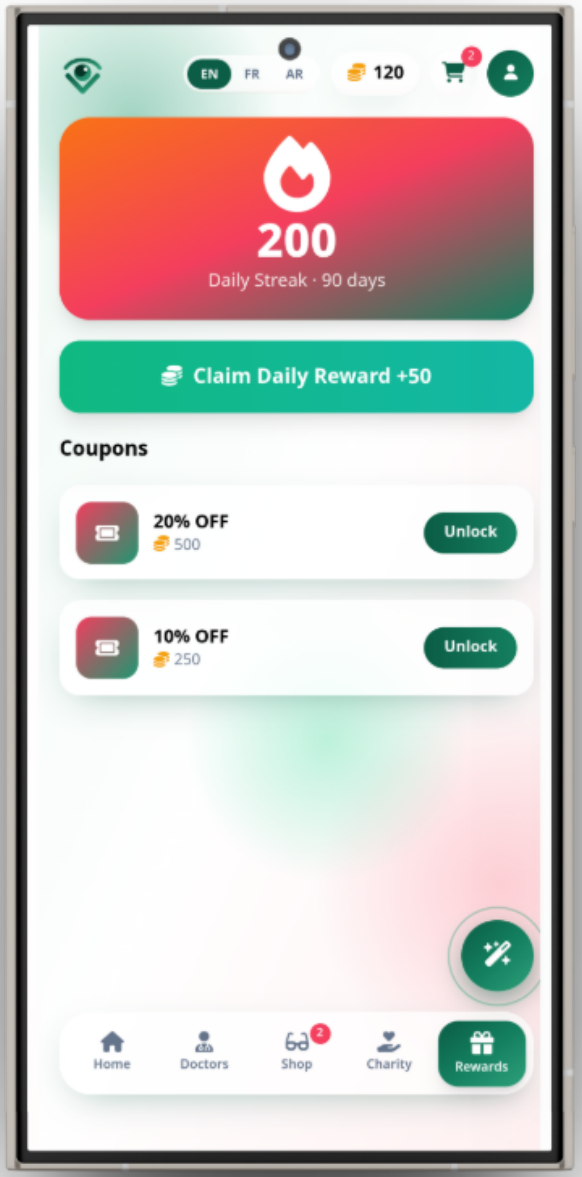

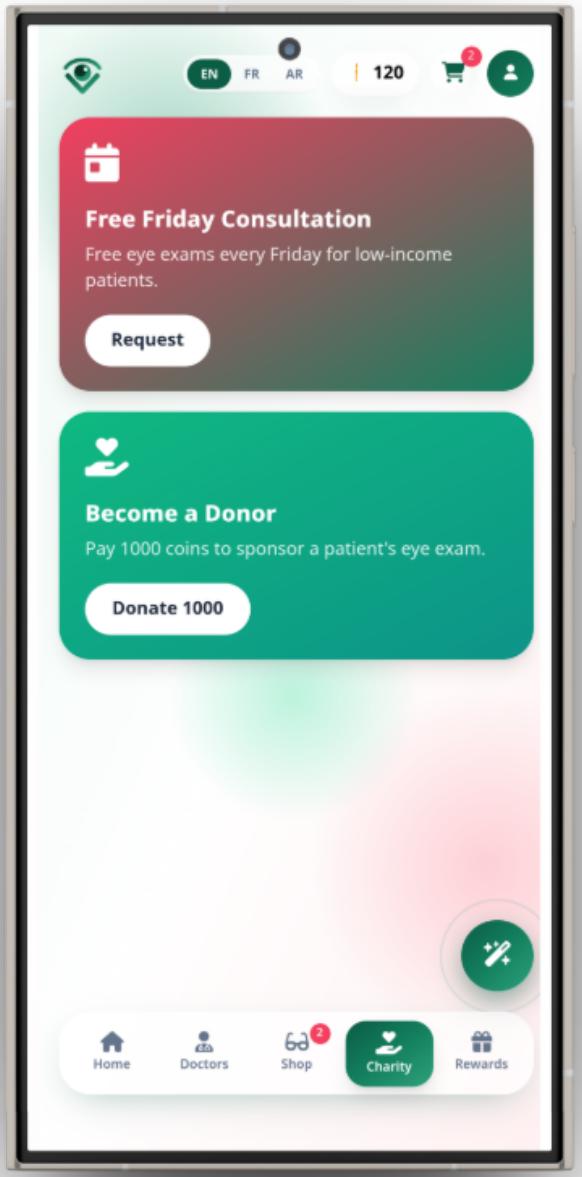

EyeBooked

# Rewards & Eye Health

A loyalty layer and practical eye-health tools
help make routine care easier to revisit.

Daily streaks, coupons and free-Friday consultation promotions.
20-20-20 rest timer and Amsler grid self-check.
Charity concept: sponsor free eye exams for low-income patients.

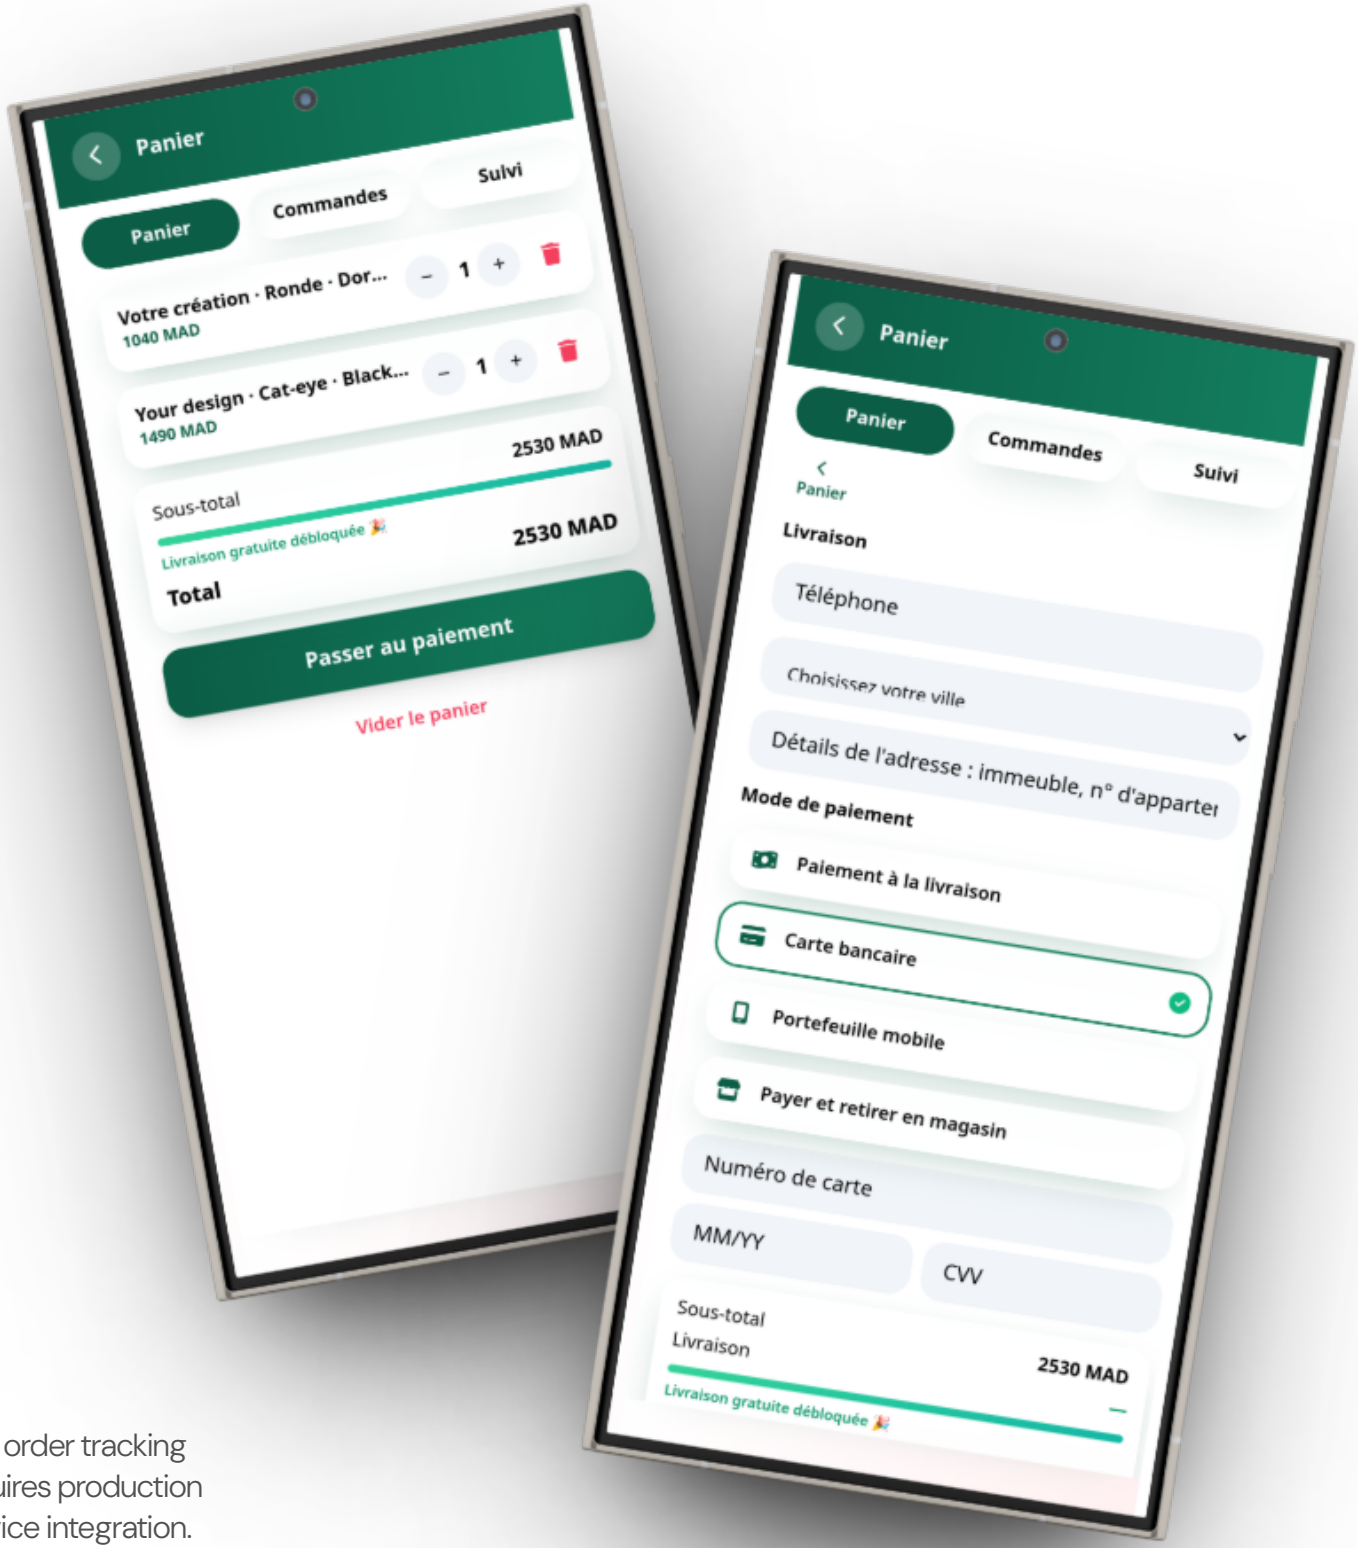

EyeBooked

# Checkout & Order Tracking

A guided cart experience for eyewear orders, with order status stages envisioned from preparation through delivery.

Live order tracking requires production service integration.

# Mobile-first & Product Scope

Designed for a phone-sized experience,
with English, French and Arabic support, including right-to-left layout.

Examples are Morocco-focused and shown in MAD.
